English — Very Good

Pashto — Intermediate

PROFESSIONAL SUMMARY

Versatile **Electronic & Electrical Engineer** with **7+ years** of cross-functional expertise spanning humanitarian program management, academic leadership, and technical development. Proven track record of managing multi-million dollar projects funded by UN agencies, leading academic institutions, and delivering technology solutions that create measurable social impact.

CURRENT ROLE

Humanitarian Program Coordination

Leading multi-donor programs at **RRSWO** with **UNICEF**, **UN Women**, **CRS**, **Save the Children** & **AKF**. Managing CBE/ALP education initiatives for **12,000+ students** and women's empowerment programs serving **1,600+ beneficiaries**.

- MEAL & Compliance
- Donor Reporting
- Field Operations

2019–2023

Academic Leadership & Teaching

Served as **Dean of Engineering** and **Department Head** at Isteqlal Institute. Led **30+ faculty members**, managed **1,000+ students**, and spearheaded curriculum modernization aligned with MoHE accreditation standards.

- Power Systems
- Renewable Energy
- Curriculum Dev.

TECHNICAL

Web Development & Technology

Full-stack development expertise with **HTML/CSS/JavaScript**, **React**, and modern frameworks. Built production websites for NGOs including **AOWA**, **AYA**, and transportation platforms. Focus on responsive, accessible solutions.

- React/Next.js
- Responsive Design
- PWA

7+ Years — Professional Experience

20K+ Beneficiaries — Direct Impact Reached

5+ UN/INGO Donors — UNICEF, UN Women, CRS...

1K+ Students — Mentored & Supervised

- Multi-Donor Program Management
- MEAL & M&E
- Academic Administration
- Curriculum Development
- Financial Compliance
- Stakeholder Coordination
- Full Stack Web Developer
- Project Management
- Electronic & Electrical Engineer

Team Leadership   PSEA & Safeguarding

PROFESSIONAL EXPERIENCE

Program Assistant (Multi-Donor Programs)
Aug 2024 – Present

Rah-e-Rahnaward Social Welfare Organization (RRSWO)

Kabul, Afghanistan
